

# **Model Food Code Manager and Regulator Training**

## **Lac Courte Oreilles Community**

Please join us for GLIFWC's Traditional Model Food Code's Food Manager and Regulator Training! It's a **free** 8 hour virtual training for food service managers, sanitarians, regulators, legal personnel, and interested community members.

Provided over 2 sessions:

**December 10<sup>th</sup> & 11<sup>th</sup>  
(8:30am-12:30pm CST)**

**[Click here to register for the full training!](#)**

8 hour training to include:  
Traditional Food HACCP plans,  
Traditional Model Food Code and more!  
**Attendees who complete BOTH sessions qualify  
for a Certificate of Completion.**
