SUMMARY OF LCO CASE MODEL CODE CHANGES FOR 2016

AMENDMENTS TO CHAPTER 3 – GENERAL REGULATIONS:

3.21 General Hunting Restrictions. Includes blaze pink in the list of colors that must be worn during the middle deer season.

AMENDMENTS TO CHAPTER 6 – DEER HUNTING REGULATIONS:

6.07 Deer Seasons: Specific Regulations. Removes the requirement to wear a backtag during the middle season. Clarifies that blaze pink or blaze orange outerwear must be worn during the middle season.

AMENDMENTS TO CHAPTER 8 – SMALL GAME HARVEST REGULATIONS:

8.02 Definitions. Added the following definitions:
- Creates a definition for “water set”
- Creates a definition for “dry land set”
- Creates a definition for “jawed trap”
- Creates a definition for “enclosed trigger trap”
- Creates a definition for “box trap”
- Creates a definition for “body gripping trap”
- Creates a definition for “snare”
- Creates a definition of a “restraining snare”
- Creates a definition for “small game”
- Creates a definition for “trapping”
- Redefines “trap” and “restraining snare”.

8.09 Small Game Seasons; Specific Regulations. Established a tribal nigig (otter) hunting season date of October 1 - March 31.

8.18 Specific Trapping Regulations. Weasel trap checks required once every fourth day; increased the dimensions for body-gripping traps to 8” by 8” as measured from the maximum outside points of the effective jaws of the trap, replaced “steel-jawed trap” with “jawed trap,” and “live trap” with “box trap”.

8.19 Specific Snaring and Restraining Snare Regulations. Amended the Code pertaining to snares to require that snare loops are set more than 6” above the first surface (ground, ice, crushed or packed snow or any other hard material), instead of just the ground; allowed for the retention of raccoons incidentally captured in restraining snares; clarified that restraining snares are set less than 6 inches or more than 12 inches above the
