FALL MIZISE (TURKEY) HUNTING REGULATIONS MINNESOTA 1837 CEDED TERRITORY

NOTE: The rules summarized in this leaflet are the minimum rules applicable to tribal members hunting turkeys off-reservation. **YOUR TRIBE MAY HAVE IMPOSED ADDITIONAL RESTRICTIONS OR REQUIREMENTS.** Check with your conservation department to see a complete copy of your tribe's ordinance, or to see if additional regulations apply to your hunting activities. Note that special hunter education requirements and restrictions exist for hunters under age 16.

PERMITS: You must have a small game hunting license and a valid turkey stamp to hunt turkeys in the fall season.

HUNTING HOURS: One-half hour before sunrise to one half hour after sunset.

FALL SEASON DATES: Day after Labor Day through December 31.

HARVEST LIMITS: The bag limit is equal to the number of valid turkey stamps you have been issued. Generally, one turkey stamp will be issued at a time; additional stamps may be obtained after registering a turkey if the zone's quota has not been reached

WILD TURKEY HUNTING UNITS: The attached map displays tribal wildlife management units and the ceded territory boundary. The entire Minnesota portion of the 1837 Ceded Territory is open for turkey hunting except for the Sherburne National Wildlife Refuge. For zones that border the ceded territory, you may hunt the portion of these units that are within the ceded territories.

REGISTRATION: All turkeys harvested must be registered. You may do this by presenting the entire carcass to a band or GLIFWC warden or at a tribal registration station no later than 5:00 p.m. of the next working day following the harvest, **or by calling 844-234-5439.** You will need information from your hunting license, county and unit of harvest, and sex and age of the turkey to register your harvest. **Report the unit of harvest using the map found on the next page.**

ALLOWABLE METHODS: No member shall hunt wild turkeys:

- a) By any means other than a 20 gauge or larger shotgun or muzzle-loading shotgun 12 gauge or larger, using fine shot size No. 4 or smaller diameter, or a bow and arrow or a crossbow.
- b) With the aid of recorded bird calls or sounds or electrically amplified imitations of bird calls or sounds.
- c) With the aid of dogs.
- d) With live decoys for the purpose of enticing wild turkeys.

OTHER RESTRICTIONS:

While hunting turkeys you must also comply with all other restrictions which apply to hunting generally, or to small game hunting specifically.
