Re: Tribal Fish Refuges, Version 4b

Enclosed is a copy of "Tribal Fish Refuges, Version 4b," dated January 9, 1997. This new version supplements Version 4, which was dated April 15, 1992 and contains updated maps to better show refuge boundaries and nearby roads. Please note that this new version does not add any new fish refuges.

If you have any additional questions, please contact the Great Lakes Indian Fish and Wildlife Commission at (715) 682-6619.

TRIBAL FISH REFUGES

Version 4b: January 9, 1998

This document identifies fish refuges in Northern Wisconsin applicable to treaty fishing activity by Lake Superior Chippewa tribal members in the 1837 and 1842 ceded territories.

Version 4b supplements Version 4, which was dated April 15, 1992. No changes were made to the actual list of refuges from Version 4, but Version 4b contains updated maps to better identify refuge boundaries, roads, and other prominent features in the vicinity of the refuges.

This list of refuges may be updated periodically. Tribal Governments or the Great Lakes Indian Fish and Wildlife Commission can be contacted to determine whether your list is the most current version.
FR 1. The following described areas are fish refuges and no member may take, disturb, catch, kill, or fish for fish in any manner or at any time in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 1.1: Chippewa County, Chippewa River
FR 1.2: Iron County, Flambeau River
FR 1.3: Sawyer County, Chippewa River (west fork)
FR 1.4: Sawyer County, Spider Creek
FR 1.5: Vilas County, Manitowish River
FR 1.6: Vilas County, Rice Creek - Deleted
FR 1.7: Vilas County, Trilby Lake (Camp 7)
Fig. 1. Chippewa County. That part of the Chippewa River from the Jim Falls Dam located in Section 29, T30N, R7W, and extending downstream for a distance of 1,000 feet.
FR 1.2 Iron County. That part of the Flambeau River located in the SW 1/4 of the SE 1/4 of the SW 1/4 of Sec. 34, T42N,R2E, and the NE 1/4 of the NW 1/4 and the NW 1/4 of the NE 1/4 of Sec. 3, T41N, R2E, beginning at the dam (Turtle Dam) in and across the Flambeau River in Sec. 34, T42N, R2E, and extending downstream from the dam to the US Gov't gaging station, located in the NE 1/4 of the NW 1/4 of Sec. 3.
FR 13. Sawyer County. That part of the west fork of the Chippewa River beginning at the Moose Lake Dam located in Sec. 14, T41 N, R6W, and thence downstream for a distance of 500 feet.
FR 14 - Spider Creek, Sawyer County. That part of the Spider Creek beginning at the Little Spider Lake dam, NE 1/4 SE 1/4, Sec. 33, T42N, R7W, downstream to State Hwy. 77, SW 1/4 SE 1/4, Sec. 33, T42N, R7W.
FR 1.5. Vilas County. Beginning at the dam in and across the Manitowish River, located in Sec. 9, T42N, R5E, commonly known as the Rest Lake Dam, and thence downstream from the said dam for a distance of 500 feet.
FR 1.7. Vilas County: That lake known as Trilby Lake (Camp 7) located in Sections 11, 12, 13, and 14, T40N, R6E.
FR 2: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from January 1 to May 1 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 2.1 Dunn County, Red Cedar River (Part 1 and Part 2)
FR 21 Part 1 Dunn County: That part of the Red Cedar River beginning at the Cedar Falls Dam located in Section 6, T28N, R12W, and extending downstream 4,300 feet.
FR 21 Part 2 Dunn County. That part of the Red Cedar River lying entirely in Section 14, T29N, R12W
The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from April 1 to the date immediately preceding the opening date of the general fishing season of each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 3: Price County, Solberg Creek
FR 3: Price County, Squaw Creek
FR 3.1 Price County: Solberg Creek, commonly known as Disappearing Creek, in Sec. 20, T38N, R1 E, beginning at the dyke (W. Solberg Road crossing) and extending 200 feet upstream.
FR 3.2 Price County. Squaw Creek, beginning at the bridge in Section 16, T38N, R1E, then extending 300 feet upstream and 300 feet downstream.
**FR 4.** The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from April 1 to May 14 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

**FR 4.1:** Iron County, Gile Flowage, Junk Shop Dike
**FR 4.2:** Iron County, Gile Flowage, Co. Hwy. “C”
**FR 4.3:** Iron County, Turtle River
**FR 4.4:** Iron County, Mercer Creek
**FR 4.5:** Iron County, Fisher and Catherine Lakes
**FR 4.6:** Sawyer County, Conners Creek
**FR 4.7:** Sawyer County, Island Creek
**FR 4.8:** Sawyer County, Knuteson Creek
**FR 4.9:** Sawyer County, Melviney Creek
**FR 4.10:** Sawyer County, Squaw Creek
**FR 4.11:** Sawyer County, Totagatic River
**FR 4.12:** Sawyer County, Unnamed stream
**FR 4.13:** Washburn County, Balsam Lake outlet
**FR 4.14:** Washburn County, Bear Creek
**FR 4.15:** Washburn County, Birch Creek
**FR 4.16:** Washburn County, Little Mud Lake outlet
**FR 4.17:** Washburn County, Slim Creek
FR 41, Iron County. Gite Flowage. Junk Shop Dike. 200 feet on either side of the Junk Shop Dike on Knight Rd. where it crosses the flowage between Sec. 36, T16N, R2E, and Sec. 1, T15N, R2E.
FR 42. Iron County. Gile Flowage. 200 feet on either side of that part of County trunk Hwy. C located in the SW 1/4 of the NW 1/4, and in the NW 1/4 of the SW 1/4, Sec. 1, T45N, R2E.
FR 4.3. Iron County. Turtle River, beginning at the dam in and across the Turtle River located in Sec. 6, T42N, R3E, commonly known as Lake of the Falls Dam and thence downstream 1,000 feet.
FR 4.4 - Mercer Creek, Iron County. That part of Mercer Creek located between Mercer and Grand Portage lakes in T43N, R3E, Sec. 36.
FR 4.5 - Fisher and Catherine lakes, Iron County. That part of the
inlet and outlets connecting Fisher and Catherine lakes (T43N, R4E,
Sec. 2) for a distance of approximately 200 feet on either side of the
road and culvert.
FR 4.6 - Connors Creek, Sawyer County. That part of Connors Creek between Lake of the Pines (Pickerel L) and Connors Lake, all in T34N, R3W, Sec. 22.
FR 4.7 - Island Creek, Sawyer County. That part of Island Creek between Black Dan Lake and Island Lake, all in Sec. 1 and 2, T39N, RSW.
FR 4.8 - Knuteson Creek, Sawyer Co. That part of Knuteson Creek beginning at Lake Chetac in T37N, R9W, Sec. 9, and extending upstream to Knuteson Lake in T37N, R9W, Sec. 10.
FR 4.9 - Malviney Creek, Sawyer County. All waters of Malviney Creek, T37N, R9W, Sec. 9 & 16.
FR 4.10 - Squaw Creek, Sawyer County. That part of Squaw Creek beginning at Lake Chetac and extending upstream for a distance of 1,000 feet, all in T39, R9W, Sec. 33.
FR 4.11 - Totagatic River, Sawyer County. That part of the Totagatic River beginning at Nelson Lake in T42N, R9W, Sec. 14, and extending upstream to the Seeley Fire Lane road crossing in T42N, R9W, Sec. 2.
FR 4.12 - Unnamed stream, Sawyer County. That part of the unnamed stream beginning in the NW quarter of T37N, R9W, Sec. 16, and extending upstream to a point 1,000 feet above state trunk highway 48 in T37N, R9W, Sec. 21.
FR 413: Washburn County
Balsam Lake outlet.
That part of the waterway between Balsam Lake and Red Cedar Lake extending for a distance of 200 feet upstream and downstream from State Highway 48, all in T37N, R1W, Sec 34.
FR 414 - Bear Creek, Washburn County. That part of Bear Creek extending 100 feet upstream and downstream from the town road crossing, all in T37N, R12W, Sec. 34 and 35.
FR 4.15 - Birch Creek, Washburn County. That part of Birch Creek beginning at Balsam Lake in T37N, R10W, Sec. 26, and extending upstream to the dam at the outlet of Birch Lake, T37N, R10W, Sec. 25.
FR 4.16 - Little Mud Lake, Washburn County. That part of the waterway between Little Mud Lake and Long Lake extending for a distance of 100 feet upstream and downstream from the town road crossing in T37N, R11W, Sec. 1 and 12.
FR 417 - Slim Creek, Washburn County. That part of Slim Creek beginning at Long Lake in T38N, R10W, Sec. 16, and extending upstream to the dam at the outlet of the Slim Creek Flowage, T38N, R10W, Sec. 10.
FR 5: The following described areas are fish refuges and no member may take, disturb, catch, kill, or fish for fish in any manner from April 1 to May 31 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 5.1: Barron County, Sand Creek
FR 5.2: Barron County, Staples Creek
FR 5.3: Barron County, Beaver Dam Lake inlets
FR 5.4: Barron County, unnamed stream (Cumberland Ditch)
FR 5.5: Barron County, Granite Lake inlet
FR 5.6: Barron County, Duck Lake inlet
FR 5.7: Barron County, Silver Lake inlet
FR 5.8: Barron County, Hemlock Creek
FR 5.9: Barron County, Turtle Creek
FR 5.10: Bayfield County, Pikes Creek
FR 5.11: Polk County, Balsam Branch
FR 5.12: Polk County, Butternut Creek
FR 5.13: Polk County, Harder Creek
FR 5.14: Polk County, Horse Creek
FR 5.15: Polk County, Sucker Creek
FR 5.16: Rusk County, Swift Creek
FR 5.17: Sawyer County, Brunet River
FR 5.18: Sawyer County, Couderay River
FR 5.19: Sawyer County, Chippewa River
FR 5.1 - Sand Creek, Barron County. That part of Sand Creek between Little Sand Lake and Sand Lake in the NW 1/4 of the SW 1/4, Sec. 27, T36N, R14W, and from the dam outlet of Sand Lake downstream 500 feet in the NW 1/4 of the NE 1/4, Sec. 17, T36N, R14W.
FR 52 - Staples Creek, Barron County. That part of Staples Creek from its mouth (Staple Lake) in the NW quarter of the SW quarter, Sec. 19, T35N, R14W, upstream for a distance of 3,000 feet.
FR 5.3 - Beaver Dam Lake inlets, Barron County. All of an unnamed stream located in the SW quarter of the NE quarter, Sec. 35, T36N, R1 4W.
FR 5.4 - Barron County: That part of the unnamed stream (Cumberland Ditch) in the SW quarter of the NE quarter, Sec. 5, T35N, R13W, upstream to the unnamed lake (Riebe Lake) in the SW quarter of the SW quarter, Sec. 33, T36N, R13W.
FR 5.5 - Granite Lake Inlet, Barron County. That part of an unnamed stream in the SW quarter of the NW quarter, Sec. 20, T36N, R13W, upstream to U.S. Hwy 63 in the SW quarter of the SE quarter, Sec. 18, T36N, R13W.
FR 56 - Duck Lake Inlet, Barron County. All of the unnamed stream in the NW quarter of the SE quarter, Sec. 32, T36N, R13W, upstream to the Granite Lake outlet.
FR 5.7 - Silver Lake inlet, Barron County. That part of the unnamed inlet to Silver Lake in the NE 1/4 of the NE 1/4 of Sec. 23, T36N, R13W, upstream for a distance of 500 feet.
FR 58 - Hemlock Creek, Barron County. That part of Hemlock Creek in the NW quarter of the NE quarter, Sec. 36, T36N, R14W, upstream for a distance of 500 feet.
FR 5.9 - Turtle Creek, Barron County. That part of Turtle Creek (Upper Turtle Lake outlet) in the NE quarter of the NW quarter, Sec. 27, T34N, R14W, downstream for a distance of 300 feet and from the outlet of Lower Turtle Lake in the SE quarter of the SW quarter, Sec. 27, upstream for a distance of 300 feet.
FR 510 - Pikes Creek, Bayfield County. That part of Pikes Creek from the structure commonly known as Red Dam extending downstream 100 feet, all in T50N, R4W, Sec. 28.
PR 511 - Balsam Branch, Polk County. That part of Balsam branch from Wapogasset Lake in the NE quarter of the NW quarter, Sec. 14, T33N, R17W, upstream to the dam at Kennedy's Mill in the SE quarter of the SE quarter, Sec. 10, T33N, R17W.
FR 5.12 - Butternut Creek, Polk County. That part of Butternut Creek between Big Butternut Lake and Little Butternut Lake, Luck Township.
FR 513. Polk County: That part of Harder Creek between Balsam Lake and Half Moon Lake, Milltown Township.
FR 5.14. Polk County. That part of Horse Creek in the NW 1/4 of the SE 1/4, Sec. 27, T32N, R18W, (Cedar Lake inlet) upstream for a distance of 1,000 feet.
FR 5.15. Polk County. That part of Sucker Creek beginning at the outlet of Lake Wapogasset and extending downstream to the County trunk Highway F bridge, all in T33N, R17W, Section 26.
FR 5.16. Rusk County: That part of Swift Creek between Island Lake dam and 500 feet below the dam.
FR 5.17, Sawyer County. That part of the Brunet River between Lake Winter dam and 500 feet below dam.
FR 5.19. Sawyer County. That part of the Chippewa River from the Arpin Dam located in T38N, R7W, Sec. 23, and extending downstream for a distance of 500 feet.
FR 6. The following described areas are fish refuges and no members may take, disturb, catch, capture, kill, or fish for fish in any manner from July 15 to October 31 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 6.1: Douglas County, Brule River
FR 6.1, Douglas County, Brule River. That part of the Brule River commonly known as the Box Car Hole, extending downstream from the Box Car Hole 100 feet and extending upstream from the Box Car Hole 100 feet, all located in T47N, R10W, Sec. 2.
FR 7: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from September 1 to May 31 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 7.1: Bayfield County, Sioux River
FR 7.2: Douglas County, Brule River
FR 71. Bayfield County, Sioux River. That part of the Sioux River commonly known as the Big Rock Hole extending downstream for a distance of 200 feet all in T49N, R44W, Sec. 19.
Fig 7.2. Douglas County, Brule River. That portion of the Brule River in T48N, R10W, Sec 15, known as "Mays Ledges", from the upper falls at Skid Mays downstream to the upstream end of the island.
FR 8: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from April 15 to May 15 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 8.1: Bayfield County, Eau Claire Chain of Lakes
FR 8.2: Shawano County, Wolf River
FR 8.2. Shawano County, Wolf River. That part of the Wolf River located in the SW 1/4, Sec. 26, T27N, R15E, starting at the Shawano Paper Mill dam and extending downstream to the Shawano Co. Hwy. "M" Bridge.
The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from April 1 to April 30 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 9.1: Clark County, South fork of the Eau Claire River
FR 9.1. Clark County, Eau Claire River. That part of the south fork Eau Claire River beginning at the Mead Lake Dam and extending downstream for a distance of 300 feet.
FR 10: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner at any time except during the open season for muskellunge in, on, or along the following described water-areas, except as authorized by a tribal harvest permit regulated under a quota system.

FR 10.1: Rusk County, Flambeau River (Part 1 and Part 2)
Dam Lake

Northland Estates Air Village

Ladyshut Lookout Tower

Fr. 10:1, part 2. South Rusk County, Flambeau River. That part of the Flambeau River within 200 feet of all hydroelectric dams.
FR 11: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from April 15 to June 1 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 11.1: Burnett County, Clam River
FR 11.2: Sawyer County, Chief River
FR 11.3: Sawyer County, Chippewa River
FR 11.4: Sawyer County, Whitefish Creek
FR 11.1. Burnett County, Clam River. That part of the Clam River beginning at the dam located in T39N, R16W, Sec. 26, commonly known as the Clam Lake dam, and extending downstream for a distance of 300 feet.
FR 11.2. Sawyer County, Chief River. That part of the Chief River beginning at a point 200 feet upstream from the County trunk Hwy. "B" bridge and extending upstream to the dam at the outlet of Callahan Lake, all in T41, R7W, Sec. 34 and 35.
FR 11.3. Sawyer County, Chippewa River. Beginning at the gate of the reservoir dam known as the Winter dam in government lots 1 and 9 in T39N, R6W, Sec. 2, and extending downstream 1,000 feet.
FR 11.4. Sawyer County, Whitefish Creek. The entire length of Whitefish Creek from Whitefish Lake to Lac Courte Oreilles, all lying in T39N, R9W, Sec. 11 and 12.
FR 12. The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from April 10 to May 10 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 12.1: Oneida County, Squirrel River
FR 12.2: Oneida County, Spring Creek
FR 12.3: Oneida County, Big Arbor Vitae Lake
FR 12.4: Vilas County, Helen Creek
FR 12.5: Vilas County, Little Arbor Vitae Lake
FR 12.1. Oneida County, Squirrel River. That part of the Squirrel River from the Squirrel Lake dam in the NW1/4 of the NE1/4, Sec. 30, T39N, R5E, downstream from the said dam for a distance of 500 feet.
FR 12.2. Vilas County. Spring Creek. That part of Spring Creek from the point it enters Mamie Lake in the NE 1/4 of the SW 1/4, Sec. 21, T43N, R9E, upstream to the Spring Lake outlet in the NE 1/4 of the NW 1/4, Sec. 27, T43N, R9E.
FR 12.3. Vilas County, Big Arbor Vitae Lake. That part of Big Arbor Vitae Lake beginning at the lake outlet in the NE 1/4 of the SE 1/4, Sec. 30, T40N, R7E, extending downstream for a distance of 500 feet.
FR 12.4. Vilas County, Helen Creek. The entire length of stream from the point it enters Mamie Lake in the SE 1/4 of the NW 1/4, Sec. 20, T43N, R9E, upstream to the stream source in the NW 1/4 of the SW 1/4, Sec. 31, T43N, R9E.
FR 1.5. Vilas County, Little Arbor Lake. That part of Little Arbor Lake beginning at the lake outlet in the NW 1/4 of the SW 1/4, Sec. 33, T40N, R7E, extending downstream for a distance of 500 feet.
FR 13: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from April 10 to the date immediately preceding the opening date of the general fishing season of each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 13.1: Oneida County, Wisconsin River
FR 13.2: Oneida County, Pelican River
FR 13.3: Oneida County, Little Rice Creek
FR 13.1. Oneida County, Wisconsin River. That part of the Wisconsin River beginning from the Rainbow Flowage dam, Co. Hwy. "D", the SW 1/4 of the SW 1/4, Sec. 30, T39N, R8E, downstream from the said dam for a distance of 500 feet.
FR 13.2. Oneida County, Pelican River. That part of the Pelican River below the 5th Lake dam of the Moen Lake Chain in the SE 1/4, Sec. 4, T36N, R10E, and extending downstream from the said dam for a distance of 500 feet.
PR 13.3  Oneida County, Little Rice Creek. That part of Little Rice Creek below the Oneida Lake dam in the NE 1/4 of the NE 1/4, Sec. 8, extending downstream to Hancock Lake.
FR 14: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from April 10 to May 20 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 14 1: Oneida County, Tomahawk River
FR 14.1. Oneida County, Tomahawk River. That part of the Tomahawk River beginning from the Cedar Falls dam in the NE 1/4 of the NE 1/4, Sec. 27, T38N, R5E, downstream from the said dam for a distance of 500 feet.
FR 15: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from April 10 to May 15 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 15.1: Vilas County, Little St. Germain
FR 15.1. Vilas County, Little Saint Germain. That part of Little Saint Germain beginning at the lake outlet in the SW 1/4 of the SE 1/4, Sec. 36, T40N, R8E, extending downstream for a distance of 500 feet.
FR 16: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from the first Saturday in May to June 1 of each year, both date inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 16.1: Iron County, Manitowish River
FR 16.2: Iron County, Manitowish River
FR 16. Iron County, Manitowish River. That part of the Manitowish River from the bridge at State Hwy. 47, Sec. 9, T42N, R4E, upstream to the Vilas County line, Sec. 12, T42N, R4E.
FR 16.2. Vilas County, Manitowish River (excluding the lake basins of Vance, Sturgeon and Benson Lakes) from U.S. Hwy. 51, Sec. 7, T42N, R5E, downstream to the Iron County Line, Sec. 1, T44N, R5E.
FR 17: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from March 1 to May 18 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 17.1: Douglas County, St. Louis River
FR 17.1. Douglas County, St. Louis River. That part of the St. Louis River beginning at the STH 23 bridge Sec. 8, T48N, R15W, upstream to the Wisconsin-Minnesota border.
FR 18. The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from April 15 to June 15 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 18.1: Price County, Big Elk River
FR 181. Price County, Elk River. That portion of the Big Elk River beginning at the Jobes dam, located in T37N, R1 W, Sec. 14, downstream 500 feet below that dam.
FR 19: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from April 25 to May 14 each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.

FR 19.1: Rusk County, Thornapple River
FR 19.1. Rusk County, Thornapple River. That portion of the Thornapple River from its confluence with the Chippewa River in T34N, R7W, Sec. 4, upstream to the Thornapple Road crossing in T35N, R7W, Sec. 33.
FR 20: The following described areas are fish refuges and no member may take, disturb, catch, capture, kill, or fish for fish in any manner from March 2 to the date immediately preceding the opening date of the general fishing season of each year, both dates inclusive, in, on, or along the following described water areas, except as authorized by tribal harvest permit regulated under a quota system.
