GREAT LAKES INDIAN FISH AND WILDLIFE COMMISSION ORDER

Order No. 2015-01

Wisconsin 1837 and 1842 Ceded Territory Tribal Wild Turkey Hunting Regulations

This Commission Order establishes amendments to the Tribes' wild turkey hunting regulations for the Wisconsin portion of the 1837 and 1842 ceded territory pursuant to the authority granted by §3.33 of the Tribes' Off-Reservation Conservation Codes, which provides for the issuance of a Commission Order to provide tribal members more treaty harvest opportunities in line with state harvesters.

Sec. 1: Authority and Applicability; Terms Used and Definitions.

Subd. 1: This Order is issued in accordance with the provisions of the Tribes' Off-Reservation Conservation Codes (hereinafter "Code" or "Codes") that codify the provisions of §3.33 of the Tribes' Model Code and authorizes each Tribal Conservation Department to amend §8.26 of each Tribe's Code. Upon the issuance of this Order, unless a Tribe chooses to adopt more restrictive measures, the regulations established herein shall be the Tribe's regulations as provide in each Tribe's Code.

Subd. 2: This Order is issued to establish culturally appropriate regulations to provide tribal members more treaty harvest opportunities in line with state harvesters. The Wisconsin Legislature recently amended its rules pertaining to wild turkey hunting regulations. These changes in State law are less restrictive than the current tribal regulations. As a result, this Order is being presented as a way to provide the tribes with more harvest opportunities in a manner that is the least restrictive possible.

Subd. 3: Terms used in the Codes shall be given the meaning set forth in the Codes when used in this Order.

Sec. 2: Tribal Wild Turkey Hunting Regulations. Starting in 2015, and for each year thereafter unless and until changed by a subsequent order, mandatory reversion is required, or the parties make permanent the provisions of this order, the following parameters for Tribal wild turkey hunting shall apply:

Subd. 1: Tribal Wild Turkey Youth Hunt. Members aged 10 to 15 years of age shall be entitled to youth turkey hunting permits valid for two consecutive days starting on the Saturday immediately preceding the beginning of the spring turkey hunting season. Members aged 10 to 15 years of age may hunt during the spring wild turkey hunt under

the following circumstances: (1) one member aged 10 to 15 years old is accompanied by one parent, guardian or other adult member designated by a parent or guardian; or (2) if a member is 12 to 15 years old and has been issued a certificate of accomplishment under a tribal hunter education and firearm safety course or a similar certificate issued by another tribe, state or province, two members aged 10 to 15 years old may be accompanied by one adult parents, guardians or other adult member designated by parents or guardians. The parent, guardian or adult member may not hunt turkey while accompanying the youth and must remain within visual and voice contact of each youth. Members born on or after 1/1/1977 accompanying members aged 10 to 11, and members aged 12 to 15 lacking certification, must have been issued a certificate of accomplishment under a tribal hunter education and firearm certification course unless one of the exceptions in Sec. 3.17(1)(b) applies and must stay within arm's reach of the member aged 10 to 15. Only one firearm, bow or crossbow may be possessed jointly between the adult and the youth 10 to 11 and members aged 12 to 15 lacking certification.

Sec. 3: Reservation of Each Tribe's Authority. Nothing in this order is intended to, or shall be construed to, limit the authority of each Tribe to establish tribal wild turkey hunting regulations or other measures that are more restrictive than what is provided in this Order.

Dated this 10th day of April, 2015.

James E. Zorn, Executive Administrator
Great Lakes Indian Fish and Wildlife Commission
